Trips Abroad

Join us for the trip of a lifetime! During the first two weeks of August of 2023, students will experience the arts, culture, and history of **URUGUAY & ARGENTINA!** In 2018, students studied and enjoyed a two-week trip to England.

*Tuition, costs for summer camp and trips are offset mainly, and in some cases, eliminated, thanks to the generosity of the CSNC donor community!

The Choir School of Newport County (CSNC) gives children an exceptional opportunity to develop self-esteem, a positive attitude, respect, team spirit, diversity, and service to others. We teach more than just music skills; our education strategy can be an essential part of the whole formation of our students, instilling confidence and integrity. No prior training or experience is expected or required.

CSNC does not discriminate on the basis of race, income, national origin, religious affiliation, or any other factor in determining admission to its programs. Children from all of Newport County are eligible.
