During this week we learn music for the coming fall, have meals together, crafts, sports, stories, and walking field trips. We walk to the piers and parks, and downtown for ice cream, with our friendly professional staff and volunteers (ratio 1 teacher to 6 students). The fun and wacky skit night (or karaoke, or whatever you like to share) is always a highlight.

Because of the restart after the pandemic, and a busy performing schedule starting in September, we will only be accepting new students **before** Camp, until March 2022. This is the time to try us! Register now.
